

Objetives of the Evangelical and Educational Station “Radio Truth”

1. Promote the Evangelical pure message of Jesus Christ.
2. Help the true spiritual development of believers.
3. Encourage a profound and true spiritual life, upon a conservative basis of faithful obedience to the Bible.
4. Encourage the usage of only high spiritual and musical quality music.
5. Help the social, economic and cultural development of the rural and urban communities, teaching them better customs and habilities for a better living.
6. Provide capacitation to communities for improving their life level and a good health.
7. Raise up the moral level of communities.
8. Cooperate with the State on its communitarian development labor.
9. Help communities to solve their own problems, even if they do not receive any external help.
10. Help to reduce analphabetism.

Philosophy

The Educational and Evangelical Station “Radio Truth”, was founded in order to encourage and preserve the high spiritual, moral, musical and accademic values. It makes efforts to help all urban and rural communities to reach their good social, economic and spiritual development.
