

## INSTRUCTIONS TO TUNE RADIO TRUTH, on Internet

1. Open our Web Site: [www.radioverdad.org](http://www.radioverdad.org)
2. Make click on one of the two “Minicaster” squares. The left “Minicaster” square is for Radioverdad 2, and the right “Minicaster” square, is for Radioverdad 1.
3. You may also make click on the blue link further down.
4. You will get the Icecast2 page. See the two graphics below.
5. For tuning Radio Truth 1, use the first grey square, make clic on M3U, right side up; see black arrow on first graphic. (**Warning: Do not make clic on XSPF, or you won't get anything.**)
6. For tuning Radio Truth 2, go down and use the gray square which is down below, make clic on M3U, right side up, see black arrow on second graphic. (**Warning: Do not make clic on XSPF, or you won't get anything.**)
7. That's all. Now, enjoy our beautiful music and true message!
